**Publication: Dziennik**

**Title: 80% - the number of the week**

**Journalist: Tomasz Szpyt**

**Dziennik / 80% - the number of the week**

The journalist corrected his last week's mistake - he wrote by accident that the clients interested in purchasing of a house in Ronson's Gardenia project have to pay only 18% before taking delivery. The new text contains the correct number 80% - before taking the delivery, the rest 20% of the payment is postponed for two years following signing of the deed.
