#### Rzeczpospolita / Developers' beginning of the year without fireworks

The article reports on developers' financial results for Q1 2012. Ronson is mentioned with PLN 7,3m revenues and PLN 1.2 net loss. Ronson's representatives assure that it was the last weak quarter as the result of stagnation on the market in 2009. 2012 may be a record year for the developer, the company may deliver about 800 apartments.
