Title: Ronson to start five new projects
Journalist: --

■ **POLAND** Last year, the Ronson Development Group completed 103 homes, generating a net income of PLN 15.1 mln. In 2009, the company plans to complete the construction of four projects, including 347 homes with a total area of over 32,000 sqm. The company also had a gross profit margin of 43.9 pct. At present, the company has 5 residential ongoing projects – two in Warsaw's Ursynów district, and one each in Bielany, Józefostaw and Konstancin. (Source: 'Dziennik')
