Ronson cuts Gemini prices

Ronson Development Group has temporarily reduced apartment prices at its Gemini residential scheme, which is located in the Ursynów district of Warsaw close to the Imielin subway station. Residential units priced from zł.8,300 to zł.9,300 per sqm can be bought with a 15-percent discount before the end of April. Gemini is a multi-family estate located near Al. KEN. The first stage of the development will comprise one 11-storey residential tower with 152 units, ranging from 42 to 148 sqm in size.
